I do not think that the
Jordans have any right
to the exclusive management
of the Ferry across the river.
They supplied basket boats
because the Govt did not
provide any proper boats and
do not see why the Govt should

I would say, that the

The Jenny should be taken under Govt Management -

5 The Jenny is now under Govt management - Bakerboats have been dispensed with - Sampans have been provided, and the Jenny is being managed under the same rules & principles which guide the Management of other Jennies in the District -

6 The Jenny seems to have been rented out and the Inamdar asks that the proceeds may be made over to him -

7 He is decidedly not entitled to the whole revenue realised by the improved management of the Jenny -

8 But it is a question whether (in consideration of the long enjoyment and of the religious purpose for which the income was levied) the Inamdar may not ~~be~~ or the temple may not be allowed an annual money grant equal to the annual deductions of a number of years -

From,

Deputy Commissioner

To,

The Chief Secretary to the
Dewan of Mysore

Sir,

I have the honor to submit for orders a file of correspondence ending with Yedatore Taluk Amildar's report No 725 dated 8th February last.

The question relates to the management of the Ferry across the Cauvery River at the crossing from Thippur to Hampapur. The Ferry is now managed by the Dandars of the Jodi Manchanhally village, the receipts being appropriated by them, it is stated, for the service of Baneswara Temple in that village. They use basket boats which are a source of danger and inconvenience. It shall be a considerable improvement

to

to use single Canoes and Sangadas, as they do in all other important ferries in the Hassan District. The Inamdars called upon to defray the cost of such have declined to pay for even single Canoes. It is true that there are rock ahead of Canoes plying in the river, but these are not an insuperable difficulty and in the interests of the convenience of the public they ought to be removed or reduced. With proper management the ferry should pay and more than pay for all such improvements.

3. I tried to persuade the Inamdars at last Jamabandy time, to agree to some arrangement by which the ferry shall be managed by Government, a fixed allowance being annually paid for the maintenance of the Temple, an arrangement analogous to that which exists at Goroor in the Hemavati river in the Hassan Taluk. The Inamdars have not thought

I Docket no 231 dated 16th. July 1888, from the Deputy Commr Imaore

Meyeore, Submitting for orders correspondence relating to the management by the godidars of Manchanahally of the Ferry across the Cauvery River between Manchanahally and Hampapur in the Yedatore Taluk.

II Docket no 759 dated 30th December 1889 from the Same Officer stating that, with regard to the right of the Inamdars to the receipts from the Ferry, the Sunnad is silent, and that with regard to the acquisition of any right under the Inam Settlement based on long usage the Inam Superintendent is unable to furnish the necessary information, as the Inam Register of

of the godi village makes no reference to it.

Order thereon — No. 3682-3/174
dated Bangalore 18th July 1890.

It does not appear to the Government that the godidars have any exclusive right to the Ferry at the crossing of the Cauvery between Hampapur and godi Manchanahally; and as the basket boats which they now use are a source of danger and inconvenience to the public, the Government decide to assume the management of the Ferry and direct that it be worked under the same rules and principles which guide the management

of other ferries in the District.

2. The Deputy Commissioner will in communication with the Secretary D. P. W. arrange for the construction and supply of proper boats or canoes for use at this Ferry.

SIR,

With reference to your docket No. 12045/817 dated 11th January last, requesting certain information on the Imanchanahally ferry Yedatore Taluk, I have the honor to report as follows:-

2. The Amildar in his report No. 617/831 dated 13th February last states

I That the receipts from the Imanchanahally ferry during the period it was under the management of the Inamdar amounted to Rs. 100-0-0 per annum.

II. That the receipts since Government assumed management of the ferry under the orders conveyed in Proceedings No. 3682-3/174 dated 18th July 1890, was as noted below.

	Rs.	as.	P.
For the year Vikrithy, 1890-91	100	0	0
——— Do ——— Khara, 1891-92	600	0	0
——— Do ——— Nandana, 1892-93	257	0	0

3. The decrease in the current year is due to the right having been given to the former huckadai "Ambigars" or ferry men for the highest-

highest amount offered by them at the sale.

4. It appears that the Swamidars had leased the ferry for an annual rental of Rs. 100-"-" and assigned the whole of it to the Banaswara temple.

5. With regard to the cost incurred by the Government in supplying new boats, the Executive Engineer Mysore Division states that the cost of a dug out boat supplied was Rupees 540-6-2.

The Inamdars of Manchenahally in the Mysore District claim the right to the yield of a ferry established and worked by themselves at the crossing of the Cauvery river between the villages of Kempapur on the left bank and Jodi Manchenahally on the right bank. The proceeds of the ferry were devoted to the maintenance of the Banavara temple. The basket boats which were in use in 1890 were a source of—

of danger and inconvenience to the public and ~~the loss~~ ~~has expressed their~~ unwillingness ~~or inability to~~ ~~impress the ferry~~ and the Government therefore assumed the management of the ferry in accordance with their Res: dated 18/7/90 No. 3682-8/174 supplied a dug-out boat at a cost of Rs 540-6-2. Since it came under Government management the ferry revenue which ~~was~~ had been only Rs 100 while under the management of the Inamdars, has risen to Rs 317 per ~~month~~ annum and is being credited to Government.

SIR,

In submitting herewith an extract from the memo, dated 21st January 1895, received from the D. P. W. Examiner, stating that the amount viz Rs 35-15-7, spent on repairing a platform boat at Tippur, should be recovered from the parties who have a right to ply the boat, I have the honor to state, that as per Government order no: 4610-11/L.F 605-92, dated 12th September, 1893, the management of the boat has been taken over by the Government, from the Inamdars, a money grant of Rs 100, being made over to the Baneswara temple.

The Inamdars have accordingly no connection with the ferry; and it does not appear

64

appear fair to call upon them to pay expenses incurred in the repair of a boat from which they get no income whatever. It is therefore requested that orders may be passed as to whether the Inamdars are, or are not liable to be called upon to pay the amount of Rs 35-15-7 expended on the repair of the boat.

The Secretary to the

Government of Mysore,

General and Revenue Departments.

Sir,

With reference to your official memorandum No. 12174 / L.7.405-92, dated 26th April 1899, regarding the continuance of the annual allowance of Rs 100/- to the Sri Baneswara temple which was hitherto getting the same from the ferry collections at Manchenahalli, Yedatore Taluk, I have the honor to state that, as the ferry at that place has since been abolished, I do not think the temple can with any justice claim the payment of the said allowance from the toll collections. The temple can claim the allowance only so long as the ferry was in

existence, but now that a bridge has been constructed and the ferry consequently abolished, the right of the temple to receive the allowance in question should be considered to have also ceased.

2. It is stated in your memorandum under advertence that the temple is not a recognised muzrai institution, but from the Registers of this office I find that it is a muzrai institution receiving a Ready Money Grant of Rs 11-10-0 a year from the Government. But this does not in any way affect the question at issue.

3. The Enclosures to your reference under reply are herewith returned.

I have the honor to be

Sir,

Your most obedient servant

Muzrai Superintendent.
